## "When Better Cars Are Made, Buick Will Make Them"

Over Two Hundred Thousand Satisfied Owners Makes the Buick

The one great automobile in the world. The Buick motor construction, with its valve-in-the-head, is what makes the owners satisfied. The Buick motor delivers more power on less gasoline than any other type of motor built. Ask to see others do what a Buick will do, then choose between the two. Ask for a demonstration of the Buick, see what the valve-in-the-head motor will do; then try the same route with any other car. You will be satisfied that the Buick is the car for you to buy.
